In the cases that were settled, a stipulation of settlement and order of dismissal was filed with the respective court, indicating, in sum and substance, that nothing in the settlement shall be construed as an admission or concession of liability by any of the defendants or the City of New York regarding any of the allegations made by the plaintiffs in their complaints, or that any of the plaintiffs' rights under the Federal or New York Constitutions or Statutes had been violated. Moreover, it appears that any sum paid to the plaintiffs as a result of these settlements were paid solely by the City of New York, without contribution from Det. Centner.

The People have reviewed the Central Personnel Index ("CPI") of Det. Centner as well, which indicated the following activity:

1. On April 20, 2011, Det. Center, an Officer assigned to the 120th Precinct at the time, failed to make activity log entries regarding an incident that occurred. This allegation was substantiated, and he was warned and admonished.

The People reserve the right to move *in limine* to preclude reference to this information, or otherwise to object to its use or introduction into evidence during trial.
