Case Summary

On June 6, 2020, § 87(2)(b) filed this complaint with IAB. The CCRB received the complaint on June 24, 2020. The IAB log provided a phone number and mailing address for § 87(2)(b).

Between June 30, 2020 and July 13, 2020, five calls were made to the number from the IAB log. The first received an automated message stating that § 87(2)(b)'s voicemail box was not activated. All subsequent calls rang out for an extended period and then terminated without an automated message or response.

On July 15, 2020, a CLEAR search was performed for § 87(2)(b) which yielded ten phone numbers and one email address. Of the ten numbers, three — § 87(2)(b) — were directly associated with § 87(2)(b). Between July 17, 2020 and July 20, 2020, two calls were made to § 87(2)(b). The first went to voicemail and the second was answered by a man who said he neither was nor knew § 87(2)(b). Between July 17, 2020 and July 27, 2020, five calls were made to § 87(2)(b). All went to a textmail subscription voicemail. Between July 17, 2020, and July 20, 2020, two calls were placed to § 87(2)(b). On July 20, 2020, a woman answered and stated that the number did not belong to § 87(2)(b) and she did not know § 87(2)(b).

Between July 17, 2020 and July 27, 2020, five emails were sent to the email address identified through the CLEAR search. None of the emails have received a response and none have been returned by an email server as undeliverable.

Between June 30, 2020 and July 10, 2020, three please call letters were sent to the mailing address listed in the IAB log. None of these letters has been returned by the United States Postal Service.

On August 4, 2020, searches for § 87(2)(b) were performed in the NYC and NYS DOC databases. The searches did not return matches for the name § 87(2)(b). The same day an OCA search was conducted for § 87(2)(b) in New York County with his date of birth. The search returned negative results.

The investigation was unable to reach § 87(2)(b) via the phone number or mailing address provided in the IAB log for his case. Database searches yielded telephone numbers and an email address associated with the provided name, and contacts were made to these numbers and email address. § 87(2)(b) however, did not respond to any attempts to contact him. § 87(2)(g)
