### Case Summary

On May 1, 2017, § 87(2)(b) filed his complaint with IAB via telephone. The case was forwarded to the CCRB via IAB Log #2017-16600, where it was received on May 8, 2017.

When § 87(2)(b) filed his complaint, he provided his home address. CLEAR and Lexis searches were conducted on May 10, 2017, and yielded one phone number and one email address. On May 10, 2017, a call was made to the phone number, and a please call letter was sent to the email address; however, it was discovered that the phone number was disconnected, and the email address was invalid. From May 10, to June 2, 2017, four letters were sent to § 87(2)(b)'s home address. Letters sent on May 26, and June 2, 2017, stated that without action from § 87(2)(b), the case would be closed without investigation. To date, none of the letters have been returned by the USPS as undeliverable.

A search of the Department of Corrections online inmate database conducted on June 5, 2017, determined that § 87(2)(b) is not currently incarcerated. To date, the undersigned investigator has not been reached by § 87(2)(b). Since § 87(2)(b) could not be reached to provide a sworn statement, a full investigation could not be conducted. § 87(2)(g)
