A review of the officer's Central Personnel Index (CPI) revealed the following:

1. On April 25, 2019, Nathaniel Beck had a substantiated departmental investigation. He used force while conducting a car stop in which summonses were issued. No disciplinary action was taken in regards to the officer's use of force. Officer Beck was however scheduled a command discipline for failing to notify a supervisor of the force used against the complainant.

The People reserve the right to move *in limine* to preclude reference to this information, or otherwise to object to its use or introduction into evidence during trial.

Should you wish to discuss this matter, please do not hesitate to call me at [REDACTED] [REDACTED] Ext.] during office hours.
