### Case Summary

On February 11, 2014, § 87(2)(b) filed this complaint with the CCRB via the CCRB call processing system.

Between February 13 and 28, 2014, Intake Investigator Daniel Cooper called § 87(2)(b) four times at the numbers he had provided in his initial complaint, and please call messages were left with a family member, Crystal § 87(2)(b) was reached on the fourth call, and he stated that he would be unable to provide a statement at the CCRB, due to his work schedule.

The case was assigned to the undersigned investigator on March 3, 2014. § 87(2)(b) was called on March 5, 2014, and he scheduled a phone interview for March 6, 2014, stating that he would attempt to call when he was on his lunch break. He failed to do so, and was subsequently called two more times, on March 12 and 18, 2014. Please call messages were left by voicemail with the first call and with an unidentified woman during the second call. A missed appointment letter was mailed to him on March 12, 2014. This letter has not been returned to the undersigned investigator by the United States Postal Service.

On March 20, 2014, a search of the New York City Department of Correction website was conducted, indicating that § 87(2)(b) was not incarcerated.
