DISCLOSURE ADVISORY

For the person named above, whom the People may call as a witness, please be advised as follows.

1. The Civilian Complaint Review Board (CCRB) has deemed substantiated the allegation that on October 23, 2014, at approximately 5:30 p.m. Allen Moore committed the violation of Force – Physical Force. This finding arose out of an encounter with the complainant at Harold Hunter skate park in the Fifth Precinct. The police initially interacted with two other two individuals, one of whom ran out of the park and was not pursued. The complainant approached to question why the police were dealing with the other person. After an oral exchange, the complainant stated (and video he provided confirmed) that Officer Moore’s partner grabbed the complainant by the coat and shook him back and forth, then asked for his identification, then attempted to handcuff him. In the process of trying to arrest him, Officer Moore and his partner grabbed the complainant and pushed him backwards over a skateboard obstacle and onto the ground. At that point, the complainant began to struggle and the two officers, plus others who responded thereafter, subdued and cuffed him. He was arrested for obstructing governmental administration, resisting arrest, and disorderly conduct. The arrest was subsequently adjourned in contemplation of dismissal.

In substantiating the Force allegation against Officer Moore, the CCRB investigation closing report concluded that Officer “Moore [and his partner] were both not credible in their accounts of the incident.” Officer Moore denied that anyone had grabbed the complainant and shook him back and forth and claimed that the complainant had fallen due to the complainant’s own efforts to move backwards. He also claimed that the complainant had interfered with his partner’s interaction with one of the other civilians, causing a crowd to form. According to investigative report, the video footage contradicted these statements, leading the investigators to conclude that the force used against the complainant was unjustified and that he had committed neither disorderly conduct nor obstruction of governmental administration.

This matter was referred to the New York City Police Department (NYPD), which deemed substantiated the allegation that on or about October 23, 2014, at approximately 5:30 PM, while in the vicinity of Harold Hunter skate park, New York County, Allen Moore, assigned to the 5th precinct and on duty, wrongfully used force against a civilian in that he pushed the civilian backwards over a skateboard obstacle and onto the ground, without police necessity.

2. The New York City Police Department has deemed substantiated the allegations that on or about February 26, 2019 Allen Moore committed the violations of Invoice

Discrepancy – Lab – Controlled Substance and Report Incomplete/Inaccurate –
Property Clerk Invoice.
