Case Summary

On January 14, 2022, § 87(2)(b) made the allegations in this complaint to police officers in the 105th Precinct. Officers reported the allegations to IAB who filed the complaint under log number 2022-1082. IAB referred the FADO allegations to the CCRB under log number 2022-1302. The CCRB received the complaint on January 25, 2022.

Between January 25, 2022 and April 6, 2022, the CCRB exhausted contact attempts to § 87(2)(b). IAB referred the complaint without contact information for § 87(2)(b) but an arrest report associated with the incident listed a telephone number, mailing address, and email address for him. The CCRB called the telephone number five times. It was never in service. The CCRB mailed and emailed § 87(2)(b) two please-call letters. None was returned or acknowledged.

The CCRB conducted searches for additional contact information for § 87(2)(b) in CTS+, BADS, and CLEAR. The searches confirmed the telephone number and mailing address in § 87(2)(b)'s arrest report, added two possible phone numbers, and added a possible mailing address. The CCRB called both new numbers five times. One number was never in service. The second number went to a generic answering machine on all five attempts, and the CCRB left five please call messages. None was acknowledged. The CCRB also mailed two please-call letters to the additional mailing address. Neither was returned or acknowledged.

A search of the NYC DOC revealed that § 87(2)(b) is not incarcerated.
