Case Summary

On October 31, 2019, Sergeant Robert Ellington, of PSA1, called IAB to report this complaint on behalf of two unidentified individuals. It was received by the CCRB on November 11, 2019 under log #19-39524. BWC footage from the involved officers was received but the footage does not capture the incident as the time of the incident was initially unknown. A second request for BWC footage was sent and the results of this request will be added to the case file upon receipt.

Sgt. Ellington informed IAB that a male and a female had walked into the PSA1 stationhouse and asked for the CCRB's telephone number. They stated that Lieutenant Timothy Brovakos and Police Officer Mubbashar Zahid, both of the 60th Precinct, stopped their car, searched their car, and searched them. They were not summonsed. Sgt. Ellington stated that he did not get the names or phone numbers of the complainants because they stated that were in a hurry.

Lt. Brovakos and PO Zahid's memo books both contain entries about a vehicle stop that match the description of the complaint. These entries do not contain the names or any pedigree information of the individuals who were stopped.

On January 14, 2019, a duplicate search was conducted for any complaints filed in the 60th Precinct on the date of the incident yielded negative results.

As the CCRB has no way to contact the complainants and there is no police documentation that contains any identifying information for the individuals, the CCRB was unable to establish contact with the complainants in this case. § 87(2)(g)
