Case Summary

On April 6, 2018, Sgt. Lauren Odessa of the 69th Precinct filed this complaint with the Internal Affairs generating IAB original log #2019-0763. There was no notation in the IAB log to indicate that § 87(2)(b) asked someone to file this complaint or expressed a desire to file a complaint on his own. The CCRB received this complaint on January 10, 2019.

No phone number for § 87(2)(b) was forwarded to the CCRB from IAB. However, a mailing address was forwarded to the CCRB from IAB. On January 17, a search of Lexis Nexis was conducted, and an email address was found. Between January 17 and January 31, three letters and three emails were sent to the mailing address and email address, none of which were returned by the United States Postal Service and the email server as undeliverable. On January 14, a BADS search was conducted and yielded negative results for any additional contact information listed in the arrest report. On January 22, a CTS search was conducted using § 87(2)(b)'s name and date of birth. The results showed that § 87(2)(b) has not filed nor been named in any previous complaints with the CCRB. On January 24, a CLEAR search was conducted and yielded negative results for additional contact information for § 87(2)(b). On February 4, a DMV search was conducted and yielded negative results for additional contact information.

As of February 4, a search of the DOC for NYC database yielded negative results for § 87(2)(b) being currently incarcerated.

A Threat, Resistance or Injury Incident Worksheet, Complaint Report (UF61), Arrest Report and AIDED Report were obtained from the NYPD. None of these documents contained any additional contact information for § 87(2)(b).
