DISCLOSURE ADVISORY

For the person named above, whom the People may call as a witness, please be advised as follows.

1. The New York City Police Department has deemed substantiated allegations that Florence Milleew took possession of a rape victim's identification on May 2, 2018; on May 3, 2018, when Officer Milleew was assigned as the 38th Precinct (sic) (28?) TS Operator, she negligently left the identification unattended in the vicinity of the TS, resulting in its loss; on May 4, Officer Milleew learned that the victim's identification was lost, and did not make any notifications that property in the possession of this Department had become lost; on May 18, 2018, Officer Milleew prepared complaint report [# ...] which contained inaccurate information as it relates to the loss of the complainant's identification. According to the NYPD, the inaccuracy was that the report stated that she left the identification on the TS desk and does not know what happened to it, but did not state that the identification was lost.
