Case Summary

On May 7, 2021, Captain Peralta contacted IAB via telephone to report that officers had used force against § 87(2)(b) while effectuating his arrest, and that § 87(2)(b) sustained injury as a result of the use of force. The complaint was subsequently received by the CCRB on May 14, 2021. The complaint contained no civilian allegations of misconduct.

The investigation obtained Arrest Report § 87(2)(b) which was associated with the incident under investigation. The arrest report contained a telephone number for § 87(2)(b). On May 18, 2021, a call was placed to § 87(2)(b). A male answered and requested a call back in Spanish. On the same date, the investigation received a call from a female who transferred the call to a male who identified himself as § 87(2)(b). The investigation explained to § 87(2)(b) that a case had been generated regarding an incident between § 87(2)(b) and officers, and that the case had been referred to the CCRB for investigation. § 87(2)(b) stated that he did not wish to participate or be involved in the CCRB's investigation.
