### Case Summary

On September 5, 2020, an anonymous complainant filed this complaint on behalf of T [REDACTED] T [REDACTED] and other unidentified individuals via telephone with the Internal Affairs Bureau, generating IAB log number 20-21040. IAB forwarded this case to the CCRB, where it was received on September 21, 2020 under log number 21314.

The IAB referral log provided a telephone number for the anonymous complainant. Between September 29, 2020 and October 26, 2020, five calls were made to this number. Voicemails were left on four of these calls, and one call connected but there was no voice on the other end of the line. A CLEAR reverse telephone search revealed five telephone numbers associated with the one provided in the IAB referral log. Two of these numbers were for individuals who were unfamiliar with the incident. Between November 17, 2020 and December 23, 2020, five calls were made to the remaining three numbers. There was no response or active voicemail capability for two of these numbers. Two voicemails were left for the third number, and the voice mailbox was full for the remaining three calls. On December 21, 2020, a call was made to the IAB-CCRB Liaison, which was unable to locate any additional contact information for the complainant. To date, the complainant has not contacted the CCRB.

On November 4, 2020, a call was made to T [REDACTED] T [REDACTED] at a number found in CLEAR, and Mr. T [REDACTED] stated that his attorney advised him against providing a statement to the CCRB. Mr. T [REDACTED] was advised that he may request to reopen the investigation at the conclusion of his court case. As of December 24, 2020, the Office of Court Administration (OCA) contained no record of Mr. T [REDACTED] court case. On December 29, 2020 and January 4, 2021, calls were made to Mr. T [REDACTED] but there was no response or active voicemail capability. On January 12, 2021, a fourth call was made to Mr. T [REDACTED] who was unaware of his court case being closed or concluded, and he was unwilling to provide any information without first speaking to his attorney. On January 22, 2021, a fifth call was made to Mr. T [REDACTED] who said he had not yet spoken to his attorney and will call back once he does so.

Given that contact was unable to be established with the anonymous complainant, and Mr. T [REDACTED] was unwilling to provide a statement without first consulting his attorney, it is recommended that this case be **Closed – Pending Litigation**.
