Pursuant to my ongoing obligations, I am making the following disclosure about Detective Leslie Johnson, whom I intend to call as a witness in the above-referenced matter.

On October 14, 2014, Detective Johnson was found to have given police in [REDACTED] a different address from his primary address while filling out [REDACTED]. He also filed a police report for the same incident regarding damage to his vehicle but failed to give relevant information regarding the identity of the perpetrator. As a result, he was fined five vacation days.

On December 13, 2017, Detective Johnson was found to have misused a department computer.

The People reserve the right to move *in limine* to preclude reference to this information, or otherwise to object to its use or introduction into evidence during trial.

Sincerely,
