<p><b>Comments</b></p> <p>On Friday July 3, 2020, a male prisoner identified as [REDACTED] temporarily escaped from the custody of Police Officer Tamara Lauzier and Police Officer Orellee Smith, assigned to PSA 2. The perpetrator was initially arrested at [REDACTED] in Brooklyn, NY by members of the PSA 2 Special Operations Unit with the assistance of the NYS Division of Parole for a parole violation for the possession of a firearm. The aforementioned officers were walking the prisoner to the department vehicle for transport, when the prisoner unexpectedly pulled away from the grasp of Officer Lauzier and fled while rear cuffed. Members on scene remained in close pursuit, which resulted in the immediate apprehension inside of 414 Sutter Ave. As a result, an initial investigation was conducted by Inspector Jesse Lance with the assistance of the Housing Bureau Investigations Unit. A thorough investigation was subsequently conducted by the undersigned. The results of the investigation are as follows.</p> <p>All involved parties were interviewed by HBIU personnel. The results of the interviews revealed that Officer Lauzier was in custody and control of the prisoner as they were walking him to the department vehicle. Officer Lauzier was accompanied by her partner, Officer Smith, as well as Sergeant Pena and Officer Chan, also assigned to PSA 2. Officer Lauzier maintained control of the prisoner by grasping onto his arms the entire time. As the officers approached the RMP, Officer Smith proceeded to unlocked the door, at which time the prisoner suddenly pulled away from Officer Lauzier and fled on foot. The officers pursued the prisoner on foot, while broadcasting the event over division radio. Officer Smith and Officer Chan re-apprehended the prisoner inside of 414 Sutter Ave shortly thereafter without incident.</p> <p>A review was conducted of all available body worn camera evidence, as well as Viper video footage, yielding sufficient video evidence of the incident to corroborate the accounts provided by the members involved. Video evidence does in fact show Officer Lauzier maintaining custody and control of the prisoner until the point where he overpowered her and was able to break free from her control. Officer Lauzier, as well as the assisting officers were attentive and maintained physical control for the duration of the time they had custody of the prisoner, up until the point of his escape.</p> <p>As a result of the initial investigation, Inspector Lance determined that the situation could have been prevented had more proficient tactics been utilized. The officers lacked situational awareness, allowing the prisoner to seize the opportunity to break free of Officer Lauzier's custody as Officer Smith was opening the vehicle door. Through the review of all available video footage, department records, and subsequent interviews, the undersigned concurs with the findings of Inspector Lance. It is apparent from the reviewed evidence that Officer(s) Lauzier and Smith's actions enabled a prisoner to temporarily escape. The officers were subsequently instructed on proper tactics and maintaining absolute control of all persons in police custody at all times. Therefore, it is recommended that this allegation be closed as SUBSTANTIATED.</p>
