Truncation Case Summary

This complaint was filed on April 5, 2021 and spun-off to the CCRB via IAB.

§ 87(2)(b) did not list a phone number on his initial complaint. A CTS search on April 9, 2021 yielded two previous cases in which § 87(2)(b) was a witness. Calls were made to both contact numbers on April 9, 2021. Both numbers were listed as restricted or disconnected. A Lexis Nexis search on April 9, 2021 yielded negative results for phone numbers. On April 14, 2021, a CLEAR search yielded four results. On April 16, 2021, one number from the CLEAR search results was called. A relative of § 87(2)(b) provided a direct phone number where the investigation could reach him. The number provided was called that day and § 87(2)(b) answered the phone. § 87(2)(b) confirmed that he was the person speaking. When asked about a possible allegation of police misconduct, § 87(2)(b) replied, “not me.” When asked whether he remembered an incident occurring on March 24, 2021, the call was disconnected. § 87(2)(b) was called back immediately and the call went straight to voicemail. Between April 16, 2021 and May 5, 2021, § 87(2)(b) was called at the number from which he answered his phone five additional times. A voice message with contact information was left each time, however, there has been no further contact made between § 87(2)(b) to the investigation. A search of the NYC Department of Corrections database on May 5, 2021 showed that § 87(2)(b) was not currently incarcerated.
