Case Summary

On October 11, 2012, a call was placed to § 87(2)(b). An automated message stated the number was no longer in service. A Lexis Nexis search revealed an additional address for § 87(2)(b) but no additional phone numbers were listed. A Cole's search revealed five potential phone numbers for § 87(2)(b). One of the numbers was not in service, and three proved to be the wrong number. Five calls were placed to the other number between October 11, 2012, and January 14, 2013. No call was ever answered but messages were left. An additional address was found on § 87(2)(b) Online Booking Sheet. A Lexis Nexis search revealed a possible phone number linked to that address. A call was placed on October 24, 2012. § 87(2)(b) brother, Corey § 87(2)(b) answered and stated that § 87(2)(b) was not present, but he took a message. § 87(2)(b) could not confirm § 87(2)(b) address and he could not provide any other contact information for her. Four additional phone calls were placed to the number between October 25, 2012 and January 14, 2013. No calls were answered, but messages were left.

Two letters were sent to both addresses provided for § 87(2)(b) between October 15, 2012, and January 7, 2013. A search of the Department of Correction database indicated that § 87(2)(b) is not currently incarcerated. § 87(2)(b), § 87(2)(g)
