### Case Summary

On April 13, 2018, § 87(2)(b) contacted the IAB Command Center by phone and filed this complaint in Spanish. On April 24, 2018, this complaint was received at the CCRB.

On April 25, 2018, a call was placed to § 87(2)(b) at the telephone number listed for him in the initial IAB complaint. § 87(2)(b) confirmed his contact information, but then asked to speak to a Spanish-speaking investigator. On April 25, 2018, Inv. Alfredo Gonzalez contacted § 87(2)(b) as per his earlier request and obtained a telephone statement. During the telephone statement, § 87(2)(b) stated that he wanted to be reimbursed the \$160 he had to spend to obtain his vehicle back from Cromwell Collision Body Shop. Inv. Gonzalez explained to § 87(2)(b) that the CCRB would be unable to assist him in obtaining compensation and that he would have to pursue that matter separately. The investigative process was then explained to § 87(2)(b) but he refused to schedule an in-person interview and ultimately decided not to pursue his complaint, because he did not believe it would benefit him. § 87(2)(b) added that he filed this complaint only because he wanted to recover the money he spent. When asked whether he wanted to withdraw his complaint, § 87(2)(b) refused and said that he just wanted his complaint to be closed.

On May 1, 2018, BWC footage of this incident was received from IAB, which does not depict manifest misconduct.

§ 87(2)(g)
