<b>Comments</b> The investigating supervisor finds the officers handled the assignment in that they requested EMS and the aided refused assistance. They also documented the incident in their memo books and transmitted a final of "10-91", non-crime corrected over central radio. However, they failed in their actions by not completing an ejection report, documenting the incident on a Department form as required. The officers have been instructed on completing the report upon every ejection of a subject from the Transit System.
