Case Summary

On January 1, 2020, Sergeant Marc Hannon of PSA 5 called the IAB Command Center and reported § 87(2)(b)'s complaint that officers used force against him. On January 15, 2020, the case was received at the CCRB. There was no contact information listed for § 87(2)(b) on the IAB log.

On January 21, 2020, a BADS search performed for § 87(2)(b) yielded one potential mailing address and four potential phone numbers. On January 21, 2020, the four potential numbers were each called. Three of the numbers were out of service or not accepting incoming calls. The fourth number corresponded to § 87(2)(b) who answered and identified herself as § 87(2)(b)'s mother. She said § 87(2)(b) was not available at that time and provided his cell phone number.

On January 22, 2020, § 87(2)(b) was called at the number his mother provided for him. He answered, confirmed his contact information, but said he did not have time to travel to the CCRB to provide a statement because he was busy with school. The investigation thus offered an interview at an offsite location that was mutually convenient, but § 87(2)(b) refused and said he did not feel like providing a statement. § 87(2)(b) was informed that absent a sworn statement the complaint might not be investigated. § 87(2)(b) told the investigation to "forget about the complaint," but elected not to withdraw it.
