DISCLOSURE ADVISORY

For the person named above, whom the People may call as a witness, please be advised as follows.

1. The New York City Police Department (NYPD) has deemed substantiated an allegation that Anthony Ippolito violated department rules/procedures by failing to provide adequate testimony on October 27, 2017. On that date, Anthony Ippolito appeared at Manhattan North Traffic Violations Bureau to provide testimony. The adjudicating judge called a summons number as a "Fail to Yield Right of Way" summons. Anthony Ippolito asked the judge to repeat the summons number and the judge once again told Ippolito the summons number and that it was a "Fail to Yield Right of Way" summons. Anthony Ippolito had a different, incorrect summons number written down, which was issued for "Right Turn on Red; Fail to Stop." Anthony Ippolito did not say anything to the adjudicating judge, since his testimony was for a "Right Turn on Red; Fail to Stop" and not a "Fail to Yield; Right of Way." As a result, the case was dismissed with a "D-8" No Recollection disposition.
