Topic/Subject: (Internal Affairs Log) INTERNAL AFFAIRS LOG
Details CCRB WILL INVESTIGATE THE FADO ALLEGATIONS AGAINST UNIFORMED MEMBERS OF THE SERVICE CONTAINED IN THIS LOG. THE NYPD WILL INVESTIGATE ALL OTHER ALLEGATIONS, INCLUDING FADO ALLEGATIONS AGAINST CIVILIAN MEMBERS OF THE SERVICE. THE INFORMATION PERTAINING TO THESE ALLEGATIONS AND THE SUBSEQUENT INVESTIGATION IS CONFIDENTIAL. On February 5, 2022 at 0814 hours, I received an e-mail forwarded from the C/C Desk from an unknown complainant. The details are as follows:

The complainant stated on 01/31/2022 "near elevator - fingerprinting area - MCB" at an unknown time, approximately (7) Police Officers, including (2) Sergeants, "brutalized" and "piled up on" the complainant. The complainant further stated "I was held upside down with a chair placed above me to apply pressure, both legs shackled and my hands cuffed behind my back. I felt my internal organs displaced. I passed out." The complainant alleged "Sgt. Lainler led others to hurt" the complainant. The complainant suffered "several physical on my fingers, my wrists, my left ribs and right kidney area".

Furthermore, the complainant stated while inside an ambulance in front of the unknown Court Building, an FDNY EMT requested the complainant to open his/her mouth in order to test him/her "for the virus", otherwise "bad men will roughly and forcibly do it or he would sedate me if I don't agree." "Sgt. Lainler and two other men" proceeded to threaten the complainant with "bodily violence". The complainant lastly stated that the case had already been dismissed and that they did not have the "legal right to forcibly take my DNA and my pictures". In the e-mail, the complainant then proceeded to make an additional complaint about an incident that occurred on 01/30/2022, which has been addressed in Log# 2022-2722.

0832 hours: ICMS query did not reveal any prior related logs.

0835 hours: ICMS personnel query did not reveal an MOS with the last name "Lainler".

0840 hours: DAS keyword query conducted with the complainant's e-mail address, which yielded negative results.

0848 hours: E-Mail uploaded.

0850 hours: I sent the complainant an e-mail via the C/C Desk requesting him/her contact the C/C in order to clarify his/her complaint and to obtain further details.

1005 hours: FORMS TRI query revealed possible TRI# 2022-005-000009 for a Level 1 Use of Force, in which a prisoner, [REDACTED], refused to be fingerprinted at Manhattan Central Bookings on 01/30/2022 and appeared to faint. According to the TRI report, it was believed by EMS that Ms [REDACTED] "pretended" the medical episode. [REDACTED] was transported to the hospital as a precaution for a medical evaluation.

1013 hours: DAS Person query revealed the Snapshot Report for Ms [REDACTED] which included (3) Misdemeanor arrests and (1) EDP/Suicide History Events.

1250 hours: I conferred with the C/C Desk, Sgt Lau, and viewed the MCB cameras which revealed the following events:

>1031 hours: (2) MOS held/carried Ms [REDACTED] under her arms to the fingerprinting area as her body was limp

>1042 hours: (4) MOS attempt to hold Ms [REDACTED] up while rear-cuffed in an attempt to fingerprint her since she was attempting to drop her body weight. Ms [REDACTED] was highly uncooperative and would not allow the officers to fingerprint her as she attempted to pull away from the fingerprint machine multiple times

>1049 hours: Multiple MOS lifted Ms [REDACTED] under her arms and by her legs in an attempt to again print Ms [REDACTED] while she continued to drop her body weight. At some point, Ms [REDACTED] was seen lying on the floor and appeared to be past out, as MCB EMS arrived on scene and treated her. Ms [REDACTED] was then placed on a stretcher and escorted away from the fingerprinting area.

Note: It appears Ms [REDACTED] is one and the same as Jane Doe mentioned in Log# 2022-2722 after comparing Ms [REDACTED] Snapshot Report to the BWC footage viewed in the cross-referenced log. Upon further investigation, it appears that the complainant for this log is Ms [REDACTED] therefore, Ms [REDACTED] has been added as the complainant.

1317 hours: I/O conferred with DI Parente and updated him with the findings of the camera footage from the MCB fingerprinting area. I/O advised DI Parenta that there was no physical force used other than officers having to physically hold Ms [REDACTED] in order to fingerprint her since she went limp.
