Synopsis

At approximately 8:10 p.m. on January 21, 2004, nineteen year-old § 87(2)(b) § 87(2)(b) was arrested at § 87(2)(b) within the 63rd Precinct for criminal possession of stolen property, petty larceny and resisting arrest. According to the IAB log, § 87(2)(b) § 87(2)(b) refused to be rear cuffed by POs Kimberly Chavez and Brett Granowetter (her arresting officer) as she was exiting the ground floor bathroom inside the 63rd Precinct stationhouse. She resisted, and one or more of the officers banged her head against the bathroom door frame, causing a minor laceration to her head. She was transported as an EDP to § 87(2)(b) Hospital by EMS for medical treatment.

Det. Bustos of IAB group 9 then interviewed § 87(2)(b) § 87(2)(b) at the hospital. § 87(2)(b) § 87(2)(b) told Det. Bustos that while PO Granowetter escorted her to the bathroom inside the stationhouse, he threw her down and caused her to hit her head against the door. She received stitches to her head and complained of headaches. She stated she had no complaint against PO Chavez, who also escorted her. The attending physician diagnosed her with head trauma and stitched two lacerations on the left side of her head at the forehead and eyebrow. She admitted to “begin aggressive by kicking a garbage can” and added that PO Granowetter was rude and sarcastic to her.

IAB and the CCRB are investigating this case concurrently. The undersigned investigator first spoke with § 87(2)(b) § 87(2)(b) by phone on February 4, after she failed to return four previous phone messages. She scheduled her interview at the CCRB for February 6 and then called on that date to cancel and reschedule for February 9. § 87(2)(b) § 87(2)(b) failed to return phone calls confirming this appointment and then failed to appear. On February 11, she made a new appointment, this one for February 12. She again failed to appear. Finally, on February 20 she made another appointment for February 23. Again, she failed to appear. § 87(2)(b) § 87(2)(b) failed to respond to a final missed appointment letter mailed to her on February 23. § 87(2)(b) § 87(2)(b)'s repeated failure to come to the CCRB as scheduled, or even to call to change those appointments, suggests that she is not serious about her complaint. If, at some other point in time she decides to pursue it seriously, she can petition the CCRB to reopen her case. § 87(2)(b), § 87(2)(g)
