Pursuant to a search of PO Abdelrehim police file, the People have learned the following:

- On February 20, 2019 PO Abdelrehim was given verbal instructions for failure to take police action. More specifically, an individual reported that he was assaulted by an unknown person and the police officers who responded did not want to help. PO Abdelrehim was in the sector that responded to the aforementioned 911 job and the job was marked as 10-91. A Sergeant later responded to the location and interviewed the complainant and the officers and decided to place the perpetrator under arrest.

The People reserve the right to move *in limine* to preclude reference to this information, or otherwise to object to its use or introduction into evidence during trial.

Very truly yours,
