**SYNOPSIS:** (SUMMARY OF INVESTIGATIVE STEPS TAKEN RESULTS AND DISPOSITION OF EACH ALLEGATION. \*\*NOTE: RIFERRALS, M.O.D. ARREST NUMBERS AND/OR CHARGES AND SPECIFICATIONS NUMBERS ON PAGE #4\*\*)

The following case was investigated by Detective [REDACTED], IAB Group 7, under the supervision of Sgt. [REDACTED], Executive Officer, Group 7.

On December 05, 2011, Inspector [REDACTED] recommended that a CALLOUT be assigned to Group 7, in reference to IAB Log # 11-55986. Information was received from DCPI that NY Times reporter Bill Glaberson was inquiring about NYPD MOS [REDACTED] and [REDACTED] who posted comments on a Facebook page called "No More West Indian Day Detail". These comments included terms such as "Filth", "Animals", "They all should die", "Let them kill each other". This page or group stated it was for "NYPD officers who are threatened by superiors and forced to be victims themselves by the violence of the West Indian Day Massacre". Mr. Glaberson further stated that this Facebook page or group is no longer available, but is presumably preserved in Brooklyn court records, from the gun possession trial in Brooklyn, last month of Defendant [REDACTED] who was arrested by Sgt. [REDACTED].

A search of Facebook for "No More West Indian Day Detail" provided the link: [www.facebook.com/#!/pages/No-More-West-Indian-Day-Detail/217448838308978](http://www.facebook.com/#!/pages/No-More-West-Indian-Day-Detail/217448838308978), this link did not open any Facebook page and an error message stating "THE PAGE YOU REQUESTED WAS NOT FOUND" was displayed. Additional Facebook searches found [REDACTED] who was identified as POM [REDACTED], [REDACTED] and [REDACTED] who as identified as POM [REDACTED]. Facebook searches for [REDACTED] failed to identify any members of the service. Sgt. [REDACTED] was identified as Sgt. [REDACTED], PSA 3. A check of the IA Pro histories of these officers failed to find any incident regarding the West Indian Day Parade. Searches of both OMNI and RTCC failed to find any record of an arrest of [REDACTED] for a weapons offense in Brooklyn between January 01, 2011 and September 6, 2011. Next a BADS search for the arrest history of Sgt. [REDACTED] failed to find an arrest of [REDACTED] in 2011.

On December 06, 2011 The NY Times published a story dated "Online, Police Levelled Abuse at Parade-goers". The NY Times story stated that Sgt. [REDACTED] arrested [REDACTED] "in the predawn hours of the celebrations before the parade in 2010". The complete arrest history of Sgt. [REDACTED] was checked and a September 06, 2010 arrest for defendant [REDACTED] was found arrest # K [REDACTED]. The BADS report for this arrest showed [REDACTED] NYSID [REDACTED] was arrested on 09/06/10 @ 0620hrs and charged with PL 265.03 CPW 2 & PL 265.02 CPW 3. The NY Times Story does state that Sgt. [REDACTED] was only a member of the group and did not post any comments. The story states that [REDACTED] POM [REDACTED] stated "flith", and that a POM Dan Rodney who posted "I say have the parade one more year and when they all gather drop a bomb and wipe them all out." A check of the IA Pro MOS database for [REDACTED] returned only POM [REDACTED] PSA 5, who was added as a subject.

On December 06, 2011, the investigating officer was informed by DCPI that the Brooklyn Defender Services was holding a press conference in reference to this news story. The Executive Director of the Brooklyn Defender Services [REDACTED] provided the assigned investigator a printed color copy of the Facebook group "No More West Indian Day Detail". Ms. [REDACTED] also had the PDF of this document emailed to the investigator's Department email. A review of this document shows that the group was started approximately 0000hrs on September 6, 2011 and the last comment captured by Brooklyn Defender Services was posted on September 7, 2011. It is unknown who created this group or when it was removed from Facebook or the content that was posted after capture by Brooklyn Defender Services.

Members of IAB Group 7 conducted a review of the full document and found a total of 267 individual postings to this Facebook group. These postings were then reviewed using a key words such as; savage, riot, zoo animal, Rikers Island, POS, mopes, them, flith as well as the comments mentioned in the NY Times story. Based on this review twenty (20) names of active members of the service were identified.

On December 06, 2011, following a conferral with Assistant Department Advocate [REDACTED] a listing of the subject officers was compiled, and PG 206-13 hearings were scheduled for these subject officers starting on December 07, 2011.

A total of twenty-three (23) PG 206-13 hearings were scheduled, one was cancelled and twenty-two PG 206-13 hearings were conducted between December 07-13, 2011. On August 21, 2012 after numerous conferrals, Assistant Department Advocate [REDACTED] recommended that a total of seventeen uniform members of the service receive discipline. The breakdown of the penalties was as follows: four (4) Charges and Specifications; seven (7) Schedule "B" Command Disciplines & Letters of Instruction; six (6) Letters of Instruction. Five (5) officers received no discipline as they were found not to have posted any offensive comments on Facebook, had the same name as another officer or were a witness in this investigation. Based on the issuance of Charges and Specifications the case was upgraded from an OG to an M Case.

[REDACTED] OCCB, refused to accept a Schedule "B" Command Discipline with the recommended minimum penalty of the forfeiture of five (5) vacation days. Charges and Specifications against [REDACTED] were then requested. Sgt [REDACTED] retired during this investigation and a Letter of Instruction was placed in his Personnel folder instead of being issued a Schedule "B" Command Discipline. POM [REDACTED] was found to have an image on Facebook of a young male child standing next to and holding a AR-15 type rifle by the barrel which was pointed toward the ceiling. During the PG 206-13 of POM [REDACTED] was questioned about this image, POM [REDACTED] stated that the child holding the AR-15 type rifle is his son, the rifle was unloaded and pointed in a safe direction. POM [REDACTED] also stated that this firearm is stored and locked at his home in Nassau County where it is legal to possess and that bolt carrier is removed. Notifications were made to both the NYS Central Registry and the Nassau County PD 1st Precinct Detective Squad. Both NYS and Nassau County took the notification but declined to investigate further.

The final discipline given as a result of the Facebook postings was five (5) sets of Charges and Specifications, five (5) Schedule "B" Command Disciplines with a Letter of Instruction and seven (7) Letters of Instruction only. Additionally a Schedule "A" Command Discipline was issued to PAA [REDACTED] 020 Precinct for failing to make proper notifications for a PG 206-13 hearing.

PPO Daniel Rodney, Housing Brooklyn Impact, prior to being served with Charges and Specifications had his 2 year probation period extended by six (6) months. PPO [REDACTED] was served with Charges and Specifications in September of 2012. Since these Charges and Specifications had not been adjudicated prior to his extended probation date, PPO [REDACTED] was placed on modified assignment on January 08, 2013.

In the original complaint of NY Times reporter [REDACTED] mentioned a member of the service by the name of "Capolla" who posted comments on a Facebook page called "No More West Indian Day Detail". This person was never identified, additionally the Command Center Investigator added a UNID subject in the original log, that subject remains unidentified.

Based on the investigative findings, it is recommended that the allegation DRV/Other (posting inappropriate remarks on Facebook) be closed as Partially Substantiated.

[REDACTED]	[REDACTED]	Charges and Specifications	I don't know why its even called a parade. I call it an Ethnic Cleansing. All they do is kill each other and continue partying. Where is the pride in your culture your too busy shooting into the crowd of the very people you call your brothers? Its ok for people to shoot the innocent and the not so innocent but when a cop shoots to protect his life there's an uproar. Shouldn't it be the same when they kill their own?
[REDACTED]	[REDACTED]	Charges and Specifications	There isnt even a permit for this 'parade'. Put electrical fences around the area next year, no police and let them kill each other. The mayor's response is 'This just can't happen.' No shit. A two day event for these animals yet the Saint Patty's Day parade is cut short and they want quality of life summonses. Gimme a break. The dictator needs to leave office. Is he at the jump off? No, he is home, relaxing, while cops have to deal with the savagery
[REDACTED]	[REDACTED]	Charges and Specifications	Welcome to Liberal NYC Gale where if the cops sneeze too loud they get investigated for excessive force but the "CIVILIans" can run around like savages and there are no repercussions. Nothing civil about this parade  Enjoy your retirement Cap and thanks for your service  It doesn't matter if you work in a busy A house or a cushy C house...no one needs this savage festival. 48 people shot including 1 cop and another hit by frags from a bullet? Yes, us who work in a busy house may be a little sharper with this nonsense because we deal with it often but no ones lives should be in
[REDACTED]	[REDACTED]	Charges and Specifications	I say have the parade one more year and when they all gather drop a bomb and wipe them all out
[REDACTED]	[REDACTED]	Charges and Specifications *** S/O refused a B Command Discipline and was issued Charges and Specifications	maybe next year they should hold it on rikers island  This is why I make it my vacation pick every year, you can have the blood money
[REDACTED]	[REDACTED]	B Command Discipline / 4 Hours Letter of Instruction	They should bring in the national guard!!! Let the government handle these animals.
[REDACTED]	[REDACTED]	Command Discipline / Warned and Admonished Letter of Instruction	pure savagery

B Command Discipline / Warned and Admonished  
Letter of Instruction

I SCHEDULE MY VACATION PICKS SO I DON'T HAVE TO BE SUBJECTED TO THE SAVAGERY OF THE WEST INDIAN PARADE. LETS MOVE THIS DETAIL TO 5TH AVENUE WITH ALL OF THE OTHER PARADES AND LETS SEE HOW QUICK THEY SHUT IT DOWN!!!!

B Command Discipline / 3 Vacation Days  
Letter of Instruction

I don't want those animals.

B Command Discipline / 10 Vacation Days  
Letter of Instruction

we need to get in touch with our delegates, get all the police unions from PBA to SBA, DEA etc to band together and tell the city something needs to change, the crowds are too big and too many drunken idiots that can't be handled without enough cops...this parade needs to be moved either in location or time of year, I suggest late january.

We have first amendment rights too, we have a right and a reason to gripe when we are endangered, I don't even think its wrong to call certain people "savages" because it doesn't describe a race or ethnicity but the behavior of a select group of individuals that can be of any race, it just so happens that at this particular event I've never seen any savages of european or asian or hispanic descent, that does not imply that they don't exist or that all parade goers are savages or that there are any racial undertones, facts are never racist, they may not be pretty, but they can't be racist.

Letter of Instruction

End this damn thing ...not calling it a parade its a death trap!

[REDACTED]	[REDACTED] Letter of Instruction	<p>See this is exactly what's wrong with this society. Not one of us is a racist a bigot or asking for deportation of anyone. We're cops just like you ( I hope ). I work with the two cops that returned fire at the perp that was shooting at them. BTW they weren't WHITE cops.</p> <p>Dont cancel the parade nor this page. Lets petition together and have it moved to 7th avenue. We can make it the prelude to.Santa coming to town. Mayor Bloomberg shouldn't have an issue with this right? I mean NYC is the greatest melting pot in the world right? People of west Indy descent don't just live off of eastern pkwy. Right there on 7th Ave under the world's microscope. Lets see how long this menagerie lasts</p>
[REDACTED]	[REDACTED] Letter of Instruction	<p>3 strikes!! 1st shooting = strike 1, 2nd shooting = strike 2, 3rd shooting = cancel the parade.... treat them like children!!</p>
POM Michael Orlando	948112 Letter of Instruction	<p>Total fucking chaos the apocalypse would be more organized than this shit</p>
[REDACTED]	[REDACTED] Letter of Instruction	<p>Bloomberg wants the Feds to have stricter gun laws. News flash, the people shooting at the innocent didn't buy them legally, they got them illegally. Then they used them on innocent people, including 2 police officers. If you are going to blame anyone for this problem, start with the POS who have the guns and fire into crowds of people rather than the 'Feds' or the NYPD. When the Feds arrest, they are prosecuted in federal court and usually go to jail. When the NYPD arrest them, they are out the next day. Maybe chat with the ADA's office as well. Denial isn't just a river in Egypt!</p>
[REDACTED]	[REDACTED] Letter of Instruction	<p>Come on it one of those events that we need to keep around!!!! Those who are retiring need the 16 hour hit.....those who are new to police work need the experience.....and those who work in manhattan south, Staten Island, and cushy Queens Houses need to appreciate where they work!!! It Ghetto training</p>
