Case Summary

On October 5, 2019, § 87(2)(b) called NYPD IAB and filed this complaint over the phone, generating original log #19-36804. On October 10, 2019, the CCRB received this case from IAB.

On October 17, 2019, § 87(2)(b) answered the phone, confirmed her contact information, and stated she was a reporting non-witness regarding the incident that had occurred.

On October 15, 2019, New York State Department of Motor Vehicles database and CLEAR searches provided a phone number and address related to the alleged victim of the incident, § 87(2)(b). A phone number and address linked to § 87(2)(b) were included in the search results. Between October 15, 2019 and October 29, 2019, five calls were placed to a phone number associated with § 87(2)(b). No voicemail messages were left for § 87(2)(b) because no voicemail was set up for the phone number. In that same timeframe, three physical letters were sent to § 87(2)(b). None of these letters were returned by the USPS. On November 1, 2019 and November 4, 2019, two calls were placed to § 87(2)(b). This phone number was associated with § 87(2)(b)'s address through the CLEAR search conducted on October 15, 2019. The phone number is not in service.

On October 29, 2019, a New York City Department of Correction Inmate Lookup System database search returned negative results for inmates named § 87(2)(b). That same day, a New York State Department of Corrections and Community Supervision Inmate Population Information Search returned negative results for inmates named § 87(2)(b).

Body-worn camera footage requests regarding this case are pending. No other video footage was obtained by the investigation.

The victim of this case has been identified, and has not been responsive to multiple contact attempts via phone and physical mail. § 87(2)(b)
