Case Summary

On July 16, 2021, § 87(2)(b) filed the following complaint via the CCRB on-line website. The CCRB is not in possession of any video evidence related to this incident.

At the time § 87(2)(b) filed this complaint, he provided one phone number, one email address, and one mailing address. A BADS search revealed an arrest report that provided one additional phone number. A CLEAR search provided two additional phone numbers and one additional mailing address for § 87(2)(b).

Between July 20, 2021 and August 23, 2021, § 87(2)(b) was called a total of nine times on four different phone numbers. The phone number § 87(2)(b) provided upon filing the complaint was called five times and voicemails were left whenever possible (three times). All voicemails introduced the investigator and the reason for calling, provided the investigator's name and number, and asked § 87(2)(b) to call the investigator back in order to pursue his complaint. The last two voicemails informed § 87(2)(b) that his case may be closed without an investigation if he did not contact the investigator. The phone number found from the arrest report proved to be a wrong number. The two phone numbers found from CLEAR reached automated § 87(2)(b)s that stated the numbers were out of service.

Between July 26, 2021, and August 09, 2021, § 87(2)(b) was sent three emails at the address he provided. The emails all introduced the investigator and the reason for contacting § 87(2)(b). § 87(2)(b) provided the investigator's contact information, and requested that § 87(2)(b) contact the investigator to pursue his complaint. The email sent on August 09, 2021 warned § 87(2)(b) that his case may be closed without an investigation if the investigator did not hear from him soon.

Between July 26, 2021, and August 09, 2021, § 87(2)(b) was sent three letters at the mailing address he provided and two letters at the address obtained from CLEAR. All letters introduced the undersigned and the reason for contacting § 87(2)(b). § 87(2)(b) provided the investigator's contact information, and asked § 87(2)(b) to contact the investigator if he wished to pursue his complaint. On August 30, 2021, one letter sent to the address obtained from CLEAR was returned to the investigator. On August 31, 2021, a search of the Department of Correction database was performed using § 87(2)(b) name and NYSID. Results revealed that § 87(2)(b) is not currently incarcerated.

As of the date of this report, § 87(2)(b) has not contacted the CCRB to further pursue this complaint. § 87(2)(g)
