Case Summary

On September 13, 2018, an § 87(2)(b) complainant filed this complaint via mail on behalf of § 87(2)(b) and § 87(2)(b) regarding an incident which occurred on April 14, 2016. The complainant alleged that Inspector John Dadamo of SRG made retaliatory arrests of the aforementioned individuals, but no contact information for either civilian was included in the complaint.

The investigation determined that both § 87(2)(b)s and § 87(2)(b)s arrests were sealed, and only their ages at the time of the incident could be extracted from their arraignment histories. Searches of Lexis Nexis and CLEAR produced 22 phone numbers and one address for § 87(2)(b). Nineteen of these phone numbers were out of service or associated with another § 87(2)(b) § 87(2)(b) who was not involved in the reported incident. § 87(2)(b) was phoned five times at each of the remaining numbers between September 21, 2018, and October 9, 2018. Voicemails were left at two of the numbers on each occasion, and the third number rang continuously with no answer during each call. Four letters were mailed to § 87(2)(b) between September 26, 2018, and October 10, 2018, and none of this correspondence was returned to the CCRB.

In addition to the above, § 87(2)(b)s professional webpage featuring his email and social media accounts was discovered on September 20, 2018. Four emails were sent to this email address between September 20, 2018, and October 1, 2018, and none of this correspondence was returned as undeliverable. A message was sent to § 87(2)(b) via Facebook on October 3, 2018, but the message did not garner a response. Searches of BADS, OCA, CTS, and the Cole Directory did not produce additional contact information for § 87(2)(b). Additional database searches could not be conducted without a date of birth. According to on-site IAB, the NYPD had no record of any complaint filed against Inspector Dadamo regarding this incident. On October 15, 2018, a search of the New York City Department of Correction Inmate Lookup Service determined that § 87(2)(b) is not incarcerated. § 87(2)(g)

§ 87(2)(b) was contacted via phone on October 3, 2018, at which time he stated that he had a poor memory of the incident but had no complaint in regard. He declined to participate in the investigation unless his witness testimony was needed on behalf of another party. § 87(2)(b) was contacted via phone again on October 12, 2018, at which time he withdrew his participation in the case. He confirmed that he withdrew his participation of his own free will and that he was not coerced to do so by any member of the NYPD or CCRB. § 87(2)(b)s decision to withdraw his participation is located in IA #117 and begins at the 0:45 mark. § 87(2)(g)
