<b>Topic/Subject:</b> <b>(Internal Affairs Log) INTERNAL AFFAIRS LOG</b>
<b>Details</b> <p>This log is being created to notify the appropriate Commanding Officer about a person who may be in need of non emergency city service.</p> <p>The above complainant has made numerous calls to the IAB Command Center alleging many different incidents against a member of the New York City Police Department, most specifically the 75th Precinct, who she alleges do not take her reports when she calls them regarding ongoing harassment at the hands of her son's girlfriend. She has made numerous complaints regarding the 75th Precinct's response time as well as the demeanor of the responding Officer [REDACTED] caused fifty even Internal Affairs Bureau logs to be generated in 2017.</p> <p>The nature and variety of the complaints and the high volume of complaints as well as the complainant's tone, demeanor, inconsistency and lack of cooperation with investigator indicate that this person may be in need of non emergency assistance from either unit within the Department or the service provided by another City Agency.</p> <p>The IAB Command Center investigators have previously provided the NYC WELL (formerly LIFENET) contact number to the complainant. However, we are unable to make a thorough evaluation of the complainant's circumstance via telephone, therefore it is requested that the Commanding Officer of the complainant's assigned precinct assign the appropriate personnel to conduct a wellness visit and if necessary, connect the complainant with the appropriate Unit or Agency so that they may provide the services required.</p> <p>If it is discovered that this complainant does not currently reside within the confines of the assigned Precinct, the Commanding Officer is required to ensure worksheets are prepared to update this case to reflect the current information before a request is made to have this case referred to the appropriate assigned Precinct.</p> <p>Commanding Officers are to ensure that steps taken to determine if a instance is necessary, type of assistance received, as well as a plan for continued follow up with this complainant are adequately documented.</p>
