- Sgt. Hernandez, who has been a member of the NYPD for ten years, has been a subject in two other CCRB cases with no substantiated allegations. §87(2)(2)
- PO Calvelli, who has been a member of the NYPD for seventeen years, has been a subject in six previous CCRB cases. In CCRB case # 201013120 it was alleged that PO Calvelli instructed an individual to "get the fuck back." That allegation was exonerated.
- PO Casey, who has been a member of the NYPD for four years, has been a subject in one previous CCRB case. § 87(2)(g)
- PO Coumbouris, who has been a member of the NYPD for eleven years, has been a subject in three previous cases. In CCRB case # 200514740 it was alleged that PO Coumbouris used a chokehold against an individual. That allegation was unfounded.

Potential Issues

- who has a documented history of psychiatric health concerns, stated that she did not report this incident until a year after its occurrence because she had suppressed the memory as a result of post-traumatic stress disorder.
- The investigation was unable to obtain video of this incident, as it was deleted before filed her complaint.
- The investigation was also unable to obtain any incident report pertaining to this incident. A subpoena for any existing report was mailed to \$87(2)(b) at the \$87(2)(b) security office, but \$87(2)(b) was unaware of the existence of an incident report.
- \$87(2)(b) did not know the names of any of the civilians she alleged assaulted her.

 Neither \$87(2)(b) nor any of the officers interviewed in connection with this case provided any information regarding \$87(2)(b) s alleged attackers. Therefore, the investigation was unable to obtain statements from those individuals.

Pleading

- \$87(2)(0) (01. Board review) testified that there were four NYPD officers present during the incident and stated that the unidentified officer who allegedly pushed her into a fence, placed her in a chokehold, and restricted her breathing had blue or green eyes. She identified PO Calvelli by name but was unable to identify any of the other officers.
- As mentioned above, \$87(2)(6) reported this incident one year after the incident date. She also incorrectly listed the incident date as August 17, 2015. However, no AIDED for the reported incident date could be located. A search for any AIDED for \$87(2)(6) from August, 2014 revealed the correct incident date. The Department Advocate's Office informed the undersigned that Sprint reports are deleted after one year, and therefore the Sprint report for this incident was unavailable.
- As no Sprint report was available to the investigation, the undersigned initially interviewed PO Calvelli (02. Board review), who had previously testified (in regards to CCRB case # 201503356) that he had been present during an incident in which was detained and transported to a hospital as an Emotionally Disturbed Person. PO Calvelli recalled that Sgt. Hernandez was present during the August 18, 2014 incident.

Page 3

He could not provide Sgt. Hernandez's first name and stated that he believed Sgt. Hernandez was no longer assigned to the 46th Precinct. A CTS search revealed no Sgt. Hernandez assigned to the 46th Precinct. A copy of the roll call for the 46th Precinct, requested on September 2, 2015, was not received until November 9, 2015. The roll call identified Sgt. Francisco Hernandez of Patrol Borough Bronx. Sgt. Hernandez, who was interviewed on November 17, 2015 (03. Board Review), identified PO Casey and PO Coumbouris.

• It is undisputed among the four officers interviewed in regards to this incident that they were present, and it is undisputed among all parties, including \$87(2)(b) that there were four officers involved. However, none of the four officers present during the incident have blue or green eyes, or acknowledged using force against \$87(2)(b) or seeing any officer do so. For these reasons, Allegations A, B, and C are pleaded against "an officer" from the 46th Precinct.

Findings and Recommendations

Allegation A—Force: An officer pushed § 87(2)(b) into a fence. Allegation B—Force: An officer used a chokehold against §87(2)(b) Allegation C—Force: An officer restricted § 87(2)(b) s breathing. testified that when she exited the elevator inside the lobby of \$87(2)(b) unidentified man yelled angrily at her. She did not want to engage him and began to walk away, but he punched \$87(2)(b) on the left cheek. \$87(2)(b) fell to the ground and hit her head. The man punched her in the head either two or three more times while she was on the ground, and swung upward, punching him in the chest either two or three times. \$37(2)(b) stood up and ran from the lobby. She saw an unidentified woman and approached her. The woman asked why \$37(2)(b) s face was bloody, and \$37(2)(b) said that a man had assaulted her in the lobby. The woman told § 87(2)(6) to call the police. At that moment §87(2)(b) noticed that there was a marked RMP parked outside of the building. Near it stood PO Calvelli, whose name §87(2)(b) learned at a later date, during an unrelated incident at the 46th Precinct stationhouse, and three other officers. §87(2)(b) began to approach the officers, but as she did she encountered the mother and three sisters of the man who had struck her. They too began to hit \(\) \(\) \(\) who yelled for help. While the struggle was taking place, an unidentified officer with blue or green eyes—who was not PO Calvelli—intervened, pulling \$87(2)(b) away from the other women. \$87(2)(b) did not see where the other officers were at that moment or what happened to them. The unidentified officer, gripping \$87(2)(b) arm, pushed her against a nearby fence. He then placed one of his hands on \$87(2)(b) s throat and held her against the fence in that manner. § 87(2)(b) sometimes breathing was slightly restricted, and she said, "I can't breathe." The officer did not release her or move his hand at all. Two of the building's security guards, whose names \$87(2)(b) did not recall and whom she could not describe, held her arms in place. The unidentified officer held (307(2)) by the neck, against the

Page 4

fence, for approximately 15 minutes. She repeated at least two more times that she was having difficulty breathing. §87(2)(b) the building's security manager, was present outside the building

| (04. Board review) testified that \$\frac{837(2)(0)}{2}\$ became emotionally disturbed inside of her apartment. He did not know what behaviors she exhibited or who alerted him to her EDP status that day, but believed that she was involved in an incident with a family member. \$\frac{877(2)(0)}{2}\$ stated was prescribed medication for a psychiatric disorder and became uncontrollable when she did not take it. \$\frac{937(2)(0)}{2}\$ met NYPD and security officers \$\frac{837(2)(0)}{2}\$ did not know what brought her there. \$\frac{837(2)(0)}{2}\$ was present outside \$\frac{837(2)(0)}{2}\$ with \$\frac{837(2)(0)}{2}\$ who was yelling. He did not see any physical injuries on her person. Four NYPD officers in two RMPs responded to the scene of the incident, and an ambulance subsequently arrived on the scene. The NYPD officers attempted to convince \$\frac{837(2)(0)}{2}\$ in handcuffs but she resisted by flailing her arms. The officers restrained her by holding her arms in place and then handcuffed her. Only then did \$\frac{837(2)(0)}{2}\$ against a fence and that no member of the NYPD or security pushed \$\frac{837(2)(0)}{2}\$ against a fence and that no member of the NYPD or security present during the incident. |

| While PO Casey (05. Board Review) did not remember the incident, Sgt. Hernandez, PO Calvelli, and PO Coumbouris (06. Board Review) recalled their encounter with PO Casey and PO Coumbouris' memo books (07. And 08. Board Review) revealed that the incident was reported as an assault in progress. |
| was standing on the sidewalk \$\frac{\sqrt{\gamma}(2)\to)}{\sqrt{\gamma}}\$ and was not near a fence. She had been rear handcuffed, and a plainclothes member of \$\frac{\sqrt{\gamma}(2)\to)}{\sqrt{\gamma}}\$ and was not near a fence. She had been rear handcuffed, and a plainclothes member of \$\frac{\sqrt{\gamma}(2)\to)}{\sqrt{\gamma}}\$ security was holding her by the arm. Sgt. Hernandez did not remember if any other members of RPT security were present. \$\frac{\sqrt{\gamma}(2)\to)}{\sqrt{\gamma}}\$ was yelling angrily but Sgt. Hernandez did not remember exactly what she said. Sgt. Hernandez spoke with the security guard, who explained that \$\frac{\sqrt{\gamma}(2)\to)}{\sqrt{\gamma}}\$ had trespassed inside a building at Richman Plaza and knew \$\frac{\sqrt{\gamma}(2)\to)}{\sqrt{\gamma}}\$ needed to go to the hospital. Sgt. Hernandez never learned that \$\frac{\sqrt{\gamma}(2)\to)}{\sqrt{\gamma}}\$ had been involved in any sort of physical altercation prior to his arrival. PO Casey and PO Coumbouris were also present during the incident. Sgt. Hernandez believed based on his memo book entry that they arrived before he did, but he did not remember specifically. He did not remember what specific actions they took or statements they made on the scene. Sgt. Hernandez determined that \$\frac{\sqrt{\gamma}(2)\to)}{\sqrt{\gamma}}\$ was an EDP, not a criminal, and called an ambulance for her. The ambulance responded shortly afterward; he did not remember exactly how long. \$\frac{\sqrt{\gamma}(2)\to)}{\sqrt{\gamma}}\$ was placed inside the ambulance and transported to a hospital. Sgt. Hernandez then departed from the scene after the ambulance departed. Sgt. Hernandez did not push \$\frac{\sqrt{\gamma}(2)\to)}{\sqrt{\gamma}}\$ into a fence, make contact with her neck or throat, or restrict \$\frac{\sqrt{\gamma}(2)\to)}{\sqrt{\gamma}}\$ sorted that any individual had done so, and did not hear \$\frac{\sqrt{\gamma}(2)\to)}{\sqrt{\gamma}}\$ complain that any individual had done so. |
| PO Coumbouris testified that PO Casey received a radio communication pertaining to an assault in progress in front of \$87(2)(b) They responded to the location and there saw \$27(2)(b) PO Calvelli, Sgt. Hernandez, and two armed plainclothes members of \$87(2)(b) security. PO Coumbouris was not familiar with the security officers. PO Coumbouris did not Page 5 |

| remember what \$87(2)(b) was doing physically when he arrived and did not remember if she |
|--|
| had been placed against a fence. § 87(2)(b) was under construction at the time of the |
| incident and he believed there was a scaffold on the building, but he did not remember if there |
| was a fence around it. One of the security officers explained that \$87(2)(6) had stated that she |
| had been assaulted somewhere in the building. However, PO Coumbouris did not remember if |
| made any statements. PO Coumbouris did not see any injuries on \$87(2)(b) s person |
| or any evidence that she had been involved in a physical altercation. PO Calvelli was standing |
| near § 87(2)(b) but PO Coumbouris did not remember if PO Calvelli was making any physical |
| contact with her or if any other officer made physical contact with her. He also did not remember |
| if she was handcuffed. However, PO Coumbouris never heard § 87(2)(b) complain of any injury. |
| EMS had been called prior to PO Coumbouris' arrival. PO Coumbouris believed that Sgt. |
| |
| Hernandez and PO Calvelli had likely determined \$87(2)(b) to be an Emotionally Disturbed |
| Person upon their arrival but he did not remember any conversation about why that decision was |
| made. He did not remember if he witnessed \$87(2)(b) exhibit any behaviors consistent with |
| those of Emotionally Disturbed Persons. When EMS arrived \$87(2)(b) was placed in the |
| ambulance, and PO Casey accompanied her. PO Coumbouris resumed patrol. PO Coumbouris did |
| not push §87(2)(b) into a fence, make contact with her neck or throat, or restrict §87(2)(b) s |
| breathing. He did not witness any individual do so, did not learn that any individual had done so, |
| and did not hear \$87(2)(5) complain that any individual had done so. |
| PO Calvelli testified that when he and Sgt. Hernandez arrived at the incident location he saw that |
| |
| was in handcuffs \$87(2)(b) A member of \$87(2)(b) Security was holding the chain between the cuffs with one hand and was pushing \$87(2)(b) |
| |
| chest-first into a fence. There were approximately five other security officers standing nearby. PO |
| Calvelli was not familiar with any of them and could not describe them. § 87(2)(b) was sweating |
| profusely and cursing angrily at the security officers and the NYPD officers, but PO Calvelli did |
| not remember what she said. She was not struggling physically. Neither the security officer nor |
| any other individual ever made any contact whatsoever with \$87(2)(b) s neck or throat. |
| never complained that anyone had made contact with her neck or throat and PO Calvelli |
| did not see any sign that such contact had occurred. §87(2)(6) did not have any visible injuries. |
| Either PO Calvelli or Sgt. Hernandez asked what had taken place, and a security officer explained |
| that § 87(2)(b) had been trespassing inside of 10 Richman Plaza. When a security officer had |
| approached her, \$87(2)(b) had become violent, attempting to kick and spit on the security |
| officers. A security officer had restrained her and brought her outside, and the police were called. |
| PO Calvelli did not learn the details of how was restrained. The security officers never |
| told PO Calvelli that \$87(2)(b) had been engaged in a dispute or physical altercation with any |
| other civilians. PO Calvelli and Sgt. Hernandez agreed that \$87(2)(b) should be taken to a |
| hospital rather than arrested, and EMS was called. When the ambulance arrived, \$87(2)(b) was |
| transported to § 87(2)(b) Hospital. |
| EMT \$87(2)(b) (09. Board review), one of the two responding EMTs, testified that |
| when she and EMT \$87(2)(b) (10. Board review), her partner, arrived |
| was outside with several uniformed security |
| officers and NYPD officers, but she did not remember how many. § 87(2)(b) was standing |
