Case Summary

Case Summary
On July 23, 2018, \$87(2)(b) filed this complaint with the CCRB via the online
complaint form. On July 11, 2018, at approximately 9:30 p.m., \$87(2)(b) was pulled over in his white
four-door Jaguar XF at the intersection of 154 th Street and Shore Avenue in Queens, by Sergeant
Justin Ellis and Police Officer Gregory Gromling, both of the 103 rd Precinct (Allegation A:
Abuse of authority – Vehicle stop, § 87(2)(9)). During the stop, § 87(2)(b) informed
Sgt. Ellis that he was a peace officer with \$87(2)(b)
; after which, Sgt. Ellis asked \$87(2)(b) if he had a firearm in the vehicle
(Allegation B: Abuse of authority – Question, \$87(2)(9)). Minutes after being stopped and
presenting his §87(2)(b) identification card, §87(2)(b) was allowed to leave without being
issued a summons.
On July 12, 2018, at approximately 11:30 p.m., § 87(2)(b) was pulled over once again in
his same vehicle at the intersection of Sutphin Boulevard and Arlington Terrace in Queens, by
Police Officer Gregory Gromling and Police Officer Michael Boudouris, also of the 103 rd
Precinct (Allegations C and D: Abuse of authority – Vehicle stop, [887(2)(9)]). Shortly after,
Sgt. Ellis and Police Officer Daniel Ward arrived at the location as back up. During the stop, Sgt.
Ellis allegedly asked \$87(2)(6) about a gun charge that was on his arrest history (Allegation
E: Abuse of authority – Question, \$87(2)(9)). Sgt. Ellis ultimately searched \$87(2)(6)
vehicle, after allegedly telling him that he would be arrested if he did not exit the vehicle
(Allegation F: Abuse of Authority – Threat of Arrest, \$87(2)(9)) (Allegation G: Abuse of
Authority – Vehicle search, \$87(2)(9) . After the search of the vehicle, \$87(2)(6) was once again released without being issued a summons.

Body worn camera (BWC) footage of the July 12, 2018 vehicle stop from PO Boudouris' and
PO Gromling's BWCs were obtained by the investigation (Board Review 01) (Board Review

Findings and Recommendations
Allegation (A) Abuse of Authority: On July 11, 2018, at 154th Street and Shore Avenue in
Queens, Sergeant Justin Ellis stopped the vehicle in which §87(2)(6) was an
occupant.
It is undisputed that \$87(2)(b) was not issued a summons as a result of this vehicle stop.
During his CCRB statement, \$887(2)(b) stated that just before his vehicle was stopped at
154 th Street and Shore Avenue in Queens, he came to a full stop at a stop sign at the intersection
of 154 th Street and Yates Avenue, and then signaled before turning left onto 154 th Street (Board
Review 03). After driving to the next block, he signaled once again before turning left onto Shore
Avenue. After being pulled over, Sgt. Ellis told \$87(2)(6) that he was pulled over because he

During his CCRB statement, Sgt. Ellis stated that on the evening of July 11, 2018, he learned of a "shots fired" incident via a radio call (**Board Review 05**). The shots fired occurred before the Page 2

and location of the incident.
Sgt. Ellis added that approximately 10 to 15 minutes after the shots fired radio call,
vehicle was stopped at 154 th Street and Shore Avenue, approximately one block from
where the shots fired occurred. §87(2)(b) vehicle was stopped because he observed him
commit a traffic infraction. He did not recall what the traffic infraction was.
PO Gromling stated that just minutes before the vehicle stop, a radio call came over regarding
shots being fired within a half mile radius of 154 th Street and Shore Avenue (Board Review 06).
The officers stopped \$87(2)(b) vehicle because he was driving in the area close to where the
shots were fired, shortly after the incident occurred. There were no additional reasons as to why
the officers stopped \$87(2)(b) vehicle. At the time of the stop, the officers only knew where
the shots were fired and how many shots were fired. The notification of the incident was
generated by a "shot spotter," which is a monitoring system that detects gunshots via sensors
around NYC and then alerts the Police Department. Given that the shots were identified via the
shot spotter, PO Gromling did not believe that there were any witnesses or specific identifying
information related to the wanted individual(s).
PO Gromling corroborated \$87(2)(b) claim that he did not commit a traffic infraction,
stating that \$87(2)(b) vehicle was stopped solely in connection to the shots fired. The fact
that \$87(2)(b) was not issued a summons for any traffic infractions supports this. \$87(2)(9)
People v. Sobotker, 43 N.Y.2d 559 (1978) (Board Review 25). To stop a moving vehicle,
officers must have reasonable suspicion that its occupants had been, are then, or are about to be
engaged in a crime. The reasonable suspicion must not be based on subjective knowledge, and
should have "at least some demonstrable roots."

Allegation (C) Abuse of Authority: On July 12, 2018, at Sutphin Boulevard and Arlington
Terrace in Queens, Police Officer Michael Boudouris stopped the vehicle in which 887(2)(6) was an occupant.
Allegation (D) Abuse of Authority: On July 12, 2018, at Sutphin Boulevard and Arlington
Terrace in Queens, Police Officer Gregory Gromling stopped the vehicle in which \$87(2)(b)
was an occupant.
It is undisputed that on July 12, 2018, PO Boudouris and PO Gromling stopped
§ 87(2)(b) vehicle.
stated that just before being pulled over on July 11, 2018, he drove Northeast
on Arlington Terrace in Queens, past Liverpool Street and Spa Place. There was a stop sign at
each intersection and \$87(2)(b) came to a full stop at both stop signs. \$87(2)(b) turned
left onto Sutphin Boulevard, signaling before doing so, at which time he was pulled over. When
asked, \$87(2)(b) stated that his windows were tinted to allow 80% light visibility (Board Review 03).
provided a phone statement consistent with his in person CCRB statement
(Board Review 04).
§ 87(2)(a) Gen.Mun. §50-H(3)
The investigation obtained photos of 887(2)(b) vehicle (Board Review 08) (Board
Review 09). In the photos provided, the front windshield and front driver's side windows appear
to be tinted. The photos were taken in bright daylight; however, the windows are noticeably tinted
and the inside of the vehicle is obscured.
During his CCRB statement, PO Boudouris stated that he observed \$87(2)(b) vehicle
fail to stop at two stop signs and have "excessively" dark tints on the windows of his vehicle
(Board Review 11). At the time the decision was made to stop §87(2)(b) vehicle, PO Boudouris was not aware that PO Gromling and other officers stopped his vehicle the night
before.
In his CCRB statement, PO Gromling stated that upon his and PO Boudouris' observation of
vehicle, they saw that the vehicle had window tints beyond the legal limit. Prior to
approaching and seeing \$87(2)(b) PO Gromling did not know or have reason to believe that
the vehicle was once again occupied by \$87(2)(b) (Board Review 06).
PO Boudouris' BWC footage of the July 12, 2018 vehicle stop depicts PO Boudouris inform
that he was stopped because he "rolled through" two stop signs and the vehicle's
window tints were too dark, almost immediately after approaching (at 34 seconds). Neither PO
Boudouris nor any other officer are depicted testing the window tints on §87(2)(b) vehicle
during the interaction (Board Review 01).
PO Gromling's BWC footage of the July 12, 2018 vehicle stop did not depict PO Gromling,
PO Boudouris, or any other officer test the window tint percentage on §87(2)(b) vehicle
(Board Review 02).

§ 87(2)(g)
Allegation (F) Abuse of Authority: On July 12, 2018, at Sutphin Boulevard and Arlington
Terrace in Queens, Sergeant Justin Ellis threatened to arrest § 87(2)(b)
stated that after Sgt. Ellis spoke with the Commissioner of \$87(2)(b) Sgt. Ellis
walked over to his vehicle and told him his vehicle needed to be searched. Sgt. Ellis asked
to get out of the car a total of two times, and §87(2)(b) said no twice. After the
second time, Sgt. Ellis told him that if he did not exit the vehicle he would be arrested.

refuse to comply with any lawful order or direction of any police officer.
§ 87(2)(g)
Allegation (G) Abuse of Authority: On July 12, 2018, at Sutphin Boulevard and Arlington
Terrace in Queens, Sergeant Justin Ellis searched the vehicle in which 887(2)(b)
was an occupant.
It is undisputed that \$87(2)(b) presented his \$87(2)(b) ID card to the officers, but they
were suspicious about the validity because the ID was partially faded. It is also undisputed that
the officers contacted the Commissioner of the \$87(2)(b) and
confirmed that \$87(2)(b) was a peace officer with their agency. Finally, it is undisputed that
the search of the vehicle occurred after the officers confirmed \$87(2)(6) was not lying about
his status as a peace officer.
stated that Sgt. Ellis told him his vehicle needed to be searched and asked him
to exit the vehicle. After Sgt. Ellis threatened to arrest him, he got out of the vehicle because he
did not want to be arrested; however, he told the officers once again that he did not give
permission for his vehicle to be searched. Sgt. Ellis and PO Boudouris searched the main cabin of the vehicle, including the glove compartment and arm rest, and the trunk of the vehicle for
approximately five minutes (Board Review 03).
§ 87(2)(6) provided a phone statement consistent with his in person CCRB statement
(Board Review 04).
§ 87(2)(a) Gen.Mun. §50-H(3)
Sgt. Ellis stated that after the vehicle stop on July 11, 2018, he learned that a white sedan was
believed to be connected to the shooting that occurred that evening. He did not have a description
of the involved individual(s) or information regarding what role the white sedan played in the
incident.
Sgt. Ellis also stated that upon arriving on scene, PO Boudouris and PO Gromling did not
inform him that they made any observation that led them to believe \$87(2)(b) had a firearm
in his vehicle. Sgt. Ellis did not make any observations on his own that led him to believe
had a firearm in his vehicle. After he confirmed \$87(2)(b) status as a peace
officer, Sgt. Ellis told §87(2)(b) that he needed to check the vehicle to ensure that there was
not a gun inside. §87(2)(b) allowed the officers to search the vehicle. Sgt. Ellis stated that he,
PO Boudouris, and PO Gromling searched the vehicle (Board Review 05).

PO Boudouris stated that he believed there was a "good chance" that \$87(2)(5) had a
gun in the vehicle because the vehicle was a white sedan like the one believed to be connected to
the shooting and [87(2)(b)] ID had a red background, indicating he would have been authorized to carry a firearm if he was a peace officer. He had this belief after Sgt. Ellis
confirmed the validity of §87(2)(b) ID. Sgt. Ellis spoke with §87(2)(b) regarding
searching the vehicle. PO Boudouris did not recall the content of that conversation (Board
Review 11).
PO Ward did not recall the incident under investigation (Board Review 14).
<u>People v. Battaglia</u> , 86 N.Y.2d 755 (1995) (Board Review 16). During a vehicle stop initiated
by the observation of traffic violation, officers must have a founded suspicion that criminal activity is afoot in order to request permission to search a vehicle.

generated by knowledge possessed in the moment and any reasonable inferences that would lead
