## **Case Summary**

On April 7, 2019, § 87(2)(b)	filed this complaint with the CCRB via the call-
processing system.	
On April 6, 2019, at approximatel	y 6:56 p.m., Police Officer Anthony Saline of the 52 <sup>nd</sup>
Precinct stopped the vehicle in which § 87(2)	and § 87(2)(b)
were occupants at the intersection of East	195 <sup>th</sup> Street and Webster Avenue in the Bronx
(Allegation A: Abuse of Authority, §87(2)(	). An officer allegedly questioned §
(Allegation B: Abuse of Authori	ty, § 87(2)(9) ). PO Saline and Sergeant
Jonathan Rivera, also of the 52 <sup>nd</sup> Precinct,	searched the vehicle in which §87(2)(b)
and § 87(2)(b) were occupants	(Allegations C-D: Abuse of Authority, § 87(2)(9)
The officers arrested § 87(2)(b)	and § 87(2)(b) for § 87(2)(b)
(BR10).	
§ 87(2)(g)	

The investigation obtained one clip of BWC footage each from PO Saline, Sgt. Rodriguez, PO Barrett, Police Officer Michelle Almanzar, and Police Officer Steve Torres (BR01-05, summarized at BR16). All references to video evidence below refer to the time stamp in the video player, not the on-screen clock embedded in the video itself.

On April 11, 2019, this case was reassigned from Inv. Tahreem Khan to Inv. Yolexis Rodriguez. On June 20, 2019, this case was reassigned from Inv. Rodriguez to Inv. Andrew Ridge.

PO Saline could not recall whether he stopped the car for any other reason.

Sgt. Rivera recounted that someone among the officers whom he believed was PO Saline noticed that the car committed a traffic violation (BR15). Sgt. Rivera could not remember what the traffic violation was, nor could he remember there being any other reason for stopping the car. PO Almanzar could not remember whether the officers in her police vehicle or another pulled over the car, whether other officers were involved in the incident, or why the car was pulled over (BR08). However, she did recall that

"messed up" the vehicle and that the vehicle was broken in some way.

The video clips from PO Saline, Sgt. Rivera, PO Almanzar, and PO Barrett's BWCs all begin after they have approached the vehicle. PO Torres' BWC video begins after the other officers have taken the civilians into custody. None of the BWC clips offers a clear view of the front windshield of the civilians' vehicle, and the videos do not capture any other manifest damage to the car.

Allegation (B) Abuse of Authority: An officer questioned 887(2)(b)	
recounted that after the officers asked everyone to get out of the car, \$\frac{87(2)(0)}{887(2)(0)}\$ and \$\frac{87(2)(0)}{87(2)(0)}\$ went to the back of the car, where PO Saline asked \$\frac{87(2)(0)}{87(2)(0)}\$ if the vehicle, which was a red 2017 Mercedes-Benz, was stolen and how he could afford in recounted that he knew that the officer who questioned \$\frac{87(2)(0)}{87(2)(0)}\$ was PO Saline because he learned of PO Saline's name when he was told that PO Saline was the arresting officer at the 52 <sup>nd</sup> Precinct stationhouse. \$\frac{87(2)(0)}{87(2)(0)}\$ was PO Saline. The officer who questioned \$\frac{87(2)(0)}{87(2)(0)}\$ was PO Saline and Sgt. Rivera were the two officers who searched the vehicle.  As noted below, the investigation determined that PO Saline and Sgt. Rivera were the two officers who searched the vehicle.  However, \$\frac{87(2)(0)}{87(2)(0)}\$ was unable to provide physical descriptions of PO Saline and Sg Rivera that clearly differentiated them from each other, leaving open the distinct possibility that the officer who allegedly questioned \$\frac{87(2)(0)}{87(2)(0)}\$ was in fact Sgt. Rivera. Further, PO Saline, Sgt. Rivera, and PO Almanzar all could not recall there being any indication that the vehicle was stoler nor could PO Saline or Sgt. Rivera remember asking the occupants if the vehicle was stolen.	t.
The BWC video footage did not capture any such interaction between PO Saline and

which \$87(2)(b) and \$87(2)(b) were occupants.

Allegation (D) Abuse of Authority: Sergeant Jonathan Rivera searched the vehicle in which and \$87(2)(b) were occupants.

It is undisputed that PO Saline and Sgt. Rivera searched the vehicle. It is undisputed that at least one of the officers on scene remarked upon the presence of an odor of marijuana at the outset of the stop. It is further undisputed that [\$87(2)(6)] had smoked marijuana prior to the incident, and that he told the officers as much before they searched the vehicle. It is also undisputed that,

during a later search at the stationhouse, officers found a quantity of marijuana secreted on the person of one of the occupants of the vehicle. At his in-person interview, \$87(2)(6) denied that the vehicle smelled of marijuana. He also denied there was any marijuana or other drugs in the vehicle. He denied that he had smoked marijuana prior to the incident. He recounted that \$87(2)(b) replied to an officer's remark that the vehicle smelled of marijuana by saying that he had smoked marijuana before getting in the car. was not with § 87(2)(b) when he smoked marijuana, and he thought § 87(2)(b) had smoked approximately 45 minutes before the incident. §87(2)(b) recalled that one of the officers searched throughout the passenger cabin, and then another officer performed the same search. § 87(2)(b) also recounted that officers felt a bulge on § 87(2)(b) person while searching him at the stationhouse, and that § 87(2)(b) admitted to having marijuana secreted in his underwear and retrieved it himself for the officers. and § 87(2)(b) PO Saline's BWC footage begins after \$87(2)(b) exited the vehicle, when he and Sgt. Rivera were already leaning into the vehicle through the front doors (BR01). Within approximately 40 seconds in the footage, officers handcuff the men and remark upon the presence of pills in the vehicle. The BWC footage does not capture any additional searching in the vehicle. At no point in any of the BWC clips does anyone mention an odor of marijuana. However, as explained above, none of the BWC clips captured the beginning of the vehicle stop, when §87(2)(b) recounted an officer remarking upon the odor. At his CCRB interview, PO Saline confirmed that he did not activate his BWC until he was partway through his search of the vehicle. PO Saline testified that he smelled marijuana as he first approached the vehicle during the stop, though he could not recall if the odor was of burned or unburned marijuana. At the time he instructed the occupants to exit the vehicle, PO Saline saw a loose pill on the floor near the driver's seat, beside a pill bottle with no cap and with its label scratched off. PO Saline also saw another empty pill bottle and approximately 13 loose pills in the driver's door pocket. PO Saline suspected the pills were a controlled substance. PO Saline searched the vehicle because he smelled marijuana and wanted to determine if there was marijuana in the vehicle, in addition to his desire to retrieve the pills. PO Saline did not find any marijuana in the vehicle. He recounted that officers recovered marijuana from § 87(2)(b) sperson during a search at the stationhouse. Sgt. Rivera could not recall if he smelled marijuana during the incident, and he also did not recall the vehicle search. Viewing PO Saline's BWC footage did not refresh Sgt. Rivera's recollection of his searching the vehicle. PO Almanzar also could not remember if she smelled marijuana during the incident. She stood at the rear with the vehicle's occupants and did not participate in the vehicle search. An officer has probable cause to conduct a warrantless search of a vehicle and its occupants if, during a lawful traffic stop, that officer detects the odor of marijuana smoke. People v. Chestnut, 43 A.D.2d 260 (1974) (BR11).
