head. PO Olsen was approximately 10 feet away from \$87(2)(b) when he threw his handcuffs. PO Olsen did not issue \$37(2)(b) any verbal commands before he threw the handcuffs at him. \$37(2)(b) stated to the CCRB that he knew that it was handcuffs that were thrown at him because when it hit him, he turned around and saw the handcuffs fall onto the ground. \$87(2)(b) then proceeded to run. PO Olsen did not pick the handcuffs up and left them on the ground. PO Olsen then proceeded to chase \$37(2)(b) as he yelled, "Stop!" However \$37(2)(b) proceeded to run. PO Olsen was the only officer chasing \$7(2)(c) as he yelled, "Stop!" The proceeded to run. PO Olsen was the only officer chasing \$7(2)(c) as he yelled, "Stop!" The proceeded to run. \$87(2)(b) alleged that as \$87(2)(b) was about to get handcuffed, PO Olsen threw his walkie talkie at \$87(2)(b) s head (Board Review 03).
PO Olsen (Board Review 04) stated that after he frisked \$\frac{87(2)(6)}{10}\$ placed his hand behind his back. As PO Olsen went to place the handcuffs on \$\frac{87(2)(6)}{10}\$ s wrists, \$\frac{87(2)(6)}{10}\$ pushed the handcuffs into PO Olsen, causing the handcuffs to pinch PO Olsen's finger. He initially reported that the injury was visible at the time of the interview, but then clarified that it was not. He could not recall if \$\frac{87(2)(6)}{20}\$ then ran from the sidewalk to Courtland Avenue and when he got into the street he began removing marijuana and dice from his pocket and threw them in the street. Once \$\frac{87(2)(6)}{20}\$ started running, PO Olsen immediately gave chase and threw his handcuffs onto the ground. \$\frac{87(2)(6)}{20}\$ ran down Courtlandt Avenue, and made a left hand turn on a street which PO Olsen could not recall at the time of his interview. PO Olsen said, "Stop! Police!" \$\frac{87(2)(6)}{20}\$ as he was running in response and continued running faster. PO Olsen did not remove his handcuffs at any time during this pursuit and did not use his handcuffs to strike \$\frac{87(2)(6)}{20}\$ as he was running. When \$\frac{87(2)(6)}{20}\$ got to Melrose Avenue he made a right hand turn. However, PO Olsen lost sight of him and continued to run. He eventually ended up on Third Avenue. PO Olsen was the first officer behind \$\frac{87(2)(6)}{20}\$ but stated, "I was not as fast as I once was, so Sgt. Gibson caught him quicker and eventually lost sight of both of them." PO Olsen did not see Sgt. Lamont Gibson remove his handcuffs during this pursuit, and denied seeing Sgt. Gibson use his handcuffs to strike \$\frac{87(2)(6)}{20}\$ as he was running because he lost sight of both \$\frac{87(2)(6)}{20}\$ and Sgt. Gibson a good amount of time before \$\frac{87(2)(6)}{20}\$ was apprehended. This pursuit took approximately one minute. PO Olsen did not witness \$\frac{87(2)(6)}{20}\$ fall onto the ground during this pursuit but was told later told by Sgt. Gibson, Lt. Dym, and \$\frac{87(2)(6)}{20}\$ that \$87(2)
Lt. Dym (Board Review 05) stated that once officers had stopped \$\frac{\mathbb{S}^{37(2)(b)}}{\text{and }}\$ they were getting ready to place them in handcuffs. As officers were about to place them in handcuffs, \$\mathbb{S}^{37(2)(b)}\$ began running. Lt. Dym could not recall which officer was interacting with \$\mathbb{S}^{37(2)(b)}\$ before he ran and could not recall how long they were on scene for before he began running. He said, "I remember watching the group and when I looked over he began running." Lt. Dym could

result of a fall while running from the police. § 87(2)(b) , MD, noted that § 7(0)
came to the hospital by police due to a scalp laceration. §87(2)(b) stated that
around 10:00 p.m. he was going to be arrested and the police took handcuffs to put on him, and
hit him in his scalp. § 87(2)(b) told medical staff that he did not notice any injury at the
moment, but once he arrived at the police station he noticed blood on his hand and head. He
denied loss of consciousness, headache, nausea, vomiting or trauma. §87(2)(6) was released

Allegation (B) Force: An officer used physical force against § 87(2)(b)
§ 87(2)(g)
(Board Review 03) provided a brief telephone statement to the CCRB in which he
alleged force by an officer; however, \$87(2)(b) never provided a sworn statement to the
CCRB and failed to respond to subsequent attempts to schedule him to provide a sworn
statement. § 87(2)(b) stated that although there were approximately 10 males, only six of them.
including himself, were approached by officers. After they were frisked the officers took five of
the males to their vehicle to place them in handcuffs and left \$87(2)(b) facing the gate with his
hands up. Because \$87(2)(b) felt that he had not done anything wrong, he attempted to walk
away from the officers. When he did so, an officer grabbed him from the back of his neck and
said, "Oh you tried to run? Come here you ain't going nowhere?" \$87(2)(6) s breathing was
not restricted by this, but he felt as though it was forceful in nature.
(Board Review 02) and \$87(2)(b) (Board Review 10) did not allege that an
officer grabbed \$87(2)(b) from the back of his neck.

§ 87(2)(g)
Allegation (C) Force: Police Officer Kaitlin Sanchez used physical force agains \$87(2)(b)
(Board Review 10) stated that after she and PO Sanchez had an exchange of words, she basically told PO Sanchez to stop talking to her like she was a child and placed three bags she was carrying onto the ground. PO Sanchez in response said that she was an officer, and that had to respect her. As \$87(2)(0) stood up from placing her bags onto the ground, PO Sanchez puffed her chest outward to push \$87(2)(0) moved approximately four feet backwards as a result of this push but did not fall. When PO Sanchez pushed \$87(2)(0) she said "Didn't I tell you to go across the street? This would have never happened if you would have just went across the street." \$87(2)(0) acknowledged that when PO Sanchez pushed her she "started wilding, saying mad stuff out of my mouth, a whole bunch of crap out of my mouth." However, did not make any contact with PO Sanchez and denied pushing PO Sanchez's shoulder. \$87(2)(0) also did not place her arms around PO Sanchez.
PO Sanchez (Board Review 11) testified that after salva said that she was not going to get onto the sidewalk she said, "I'm not going to listen to you, fuck you." salva also began cursing at PO Sanchez and said that she was going to spit on PO Sanchez. then placed her saliva at the front of her mouth. PO Sanchez stated to the CCRB, "When she put the spit to the front of her mouth, that's when I went to grab her, to put her hands behind her back and cuff her. That's when she started resisting." PO Sanchez and salva and salva were face-to-face at that point. PO Sanchez grabbed salva by her arm, and salva began kicking her in response. An unknown number of kicks landed on PO Sanchez's leg. PO Sanchez could not recall which arm she grabbed, but stated that salva pulled the arm away from her. Thus, PO Sanchez was not able to detain her. At some point during the struggle, salva pushed PO Sanchez and it was then the other officers noticed and separated them both. PO Sanchez could not recall if salva pushed her before she kicked her. PO Sanchez did not fall as a result of this push and could not recall how many times salva behind her back and salva behind her back, PO Sanchez did not do anything else to overcome salva because other officers intervened and separated them. PO Sanchez stated that her interaction with salva approximately one minute.
<u>Patrol Guide</u> Procedure 221-01 governing the use of force states that "force may be used when it is reasonable to ensure the safety of a member of service or a third party, or otherwise to protect life, or when it is reasonable to place a person in custody to prevent escape in all circumstances any application of force must be reasonable under the circumstances" (Board Review 12).
§ 87(2)(g)

Allegation (E) Force: Officers used a chokehold against § 87(2)(b) testified that after PO Sanchez puffed out her chest towards her and they had an exchange of words, numerous officers began running towards \$87(2)(b) PO Sanchez grabbed left wrist while a male officer grabbed her neck from behind using his forearm. stated that her breathing was not impaired by this, but she was out of breath because she was yelling, "Get off of me." As PO Sanchez was grabbing \$87(2)(b) wrist, the male officer was using his forearm to grab (\$37(2)(b) neck, two additional male officer were also making contact with \$87(2)(b) neck. These officers used an open palm, their thumb, and their index finger to make contact with \$37(2)(b) neck, \$37(2)(b) breathing was also not impaired by this; she was just slurring her words because she was yelling for the officers to get off of her. § 87(2)(b) could not describe these officers. PO Sanchez (Board Review 11) could not recall which officers came to separate her and She also could not recall how many officers became involved. She stated that these officers assisted her by detaining \$87(2)(b) but did not know where on \$87(2)(b) body they were making contact. PO Sanchez stated that once these officers came to assist her, she stepped away and was not involved in placing \$87(2)(b) in handcuffs. PO Sanchez stated that \$87(2)(b) continued to resist once these additional officers became involved but could not say what was doing to resist or how they overcame §87(2)(b) resistance as there were numerous officers around and she no longer had a clear view of \$87(2)(b) PO Sanchez did not see an officer making any physical contact with § 87(2)(b) neck, and did not see an officer use their forearm to grab §87(2)(6) by her neck. She also denied seeing an officer use an open palm to grab § 87(2)(b) neck. PO Cordero (Board Review 07) stated that after § 87(2)(b) ran and Sgt. Gibson, Lt. Dym and PO Olsen gave chase to him, § 87(2)(b) remained on scene. During that time a group of onlookers who initially stood across the street began walking closer towards them. At that point a call for additional units was put over the radio because officers were outnumbered. PO Cordero could not recall who requested additional units over the radio, but stated that approximately 30 seconds later, additional units of both uniformed officers and plain clothes officer from PSA 7 and the 40th Precinct arrived on scene. When these officers arrived they performed crowd control by directing the crowd to move back, PO Cordero could not recall § 37(2)(b) being present. PO Cordero did not see any officer grab \$87(2)(b) neck using their forearm and did not see any officer grab her neck using their thumb and index finger. He also could not recall \$27(2)(b) being arrested in connection. Event D17092923690 revealed that on September 29, 2017, at approximately 9:15 p.m., a PSA7

§ 87(2)(g)
Allegation (G) Abuse of Authority: Police Officer John Olsen threatened with the use of force.
(Board Review 02) stated that right before he was transported to the hospital PO Olsen said that "he was going to kill him and put me in a concussion". [887(2)(6)] replied, "You are going to be mad because I am going to get a lawsuit on you."
PO Olsen (Board Review 14) denied telling \$87(2)(b) that "he was going to kill him and put him in a concussion" but confirmed and documented in his memo book that that there was a discussion amongst \$87(2)(b) and his co-defendants regarding a lawsuit though he noted that these comments came later in the interaction.
§ 87(2)(g)
Allegation (H) Abuse of Authority: Police Officer John Olsen did not obtain medical treatment for §87(2)(b)
(Board Review 02) stated to the CCRB that as he was being transported to the PSA 7 stationhouse he started to feel pain coming from his head, but did not ask PO Olsen to take him to the hospital at time. Upon arrival at the PSA 7 stationhouse, 37(2)(5) was brought to the desk. PO Olsen did not ask 37(2)(5) if he wanted medical assistance while in front of the desk and 387(2)(5) did not decline medical assistance while in front of the desk. Before he was placed inside of a cell, 387(2)(5) asked PO Olsen to go to the hospital and PO Olsen said, "No you don't need to go, you just got a little scab." 37(2)(5) continued to tell PO Olsen that he needed to go to the hospital because his head was bleeding. PO Olsen in response told 37(2)(5) that he was fine. One of 37(2)(5) s friends who was inside the cell at that time insisted that he seek medical attention because they could see the condition of his head. When 37(2)(5) tried to tell PO Olsen that his head was bleeding and needed to go to the hospital, PO Olsen said, "You do not need to go." 37(2)(5) asked PO Olsen to go to the hospital a total of three times. 37(2)(5) then asked an unidentified officer who stood by the cells to go to the hospital. This officer left the cell area and returned with another officer who transported 387(2)(6)
PO Olsen (Board Review 04) stated that when he escorted \$87(2)(b) to the van to be transported back to the PSA 7 stationhouse, he did not observe any visible injuries on and could not recall \$87(2)(b) bleeding at that time. Upon arrival at that PSA 7 stationhouse at 10:20 p.m., \$87(2)(b) was brought to the desk and told PO Olsen that he fell

Arrest report 887(2)(b) noted that 887(2)(b) s condition was apparently normal (Board Review 16).
TRI report \$87(2)(b) noted that medical attention was offered to \$87(2)(b) and he accepted and was removed to the Hospital (Board Review 08).
The PSA 7 Command Log from September 29, 2017, written by Sgt. Gellison Flores notes that had a small cut to his face/head. There was no indication regarding whether refused medical attention. 887(2)(b) was transported to 37(2)(b) was transported to 37(2)(b) and returned back to the PSA 7 stationhouse at 6:00 a.m. (Board Review 17).
There was no Medical Treatment of a Prisoner Report on file for [887(2)(b)] (Board Review 18)
The Pre-Hospital Care report notes that \$87(2)(b) s bleeding was controlled prior to the arrival of EMS (Privileged Documents).
